Gem City Business College 1907 Football Team.

This photo has not been positively identified, but it is either Daniel Reeder (b. 1791) or one of his two eldest sons born to his first wife, Mary

Nichols (d. 1824 KY). These sons were James, b. 20 December 1822, and William, b. 6 July 1824 KY. Can anyone help make a positive identification?
